

South America Regional Meeting

When: Wednesday 13 March 2024

Where: Hilton Copacabana, Rio de Janeiro

**Register
online
now**

The meeting, chaired by John Chatten (Fugro) and supported by vice chair Daniel Marins (Subsea7), will bring Members together to discuss industry issues, explore the latest from IMCA's technical teams, and offers a great opportunity to meet colleagues from across the industry.

You'll hear from a range of industry speakers exploring topics such as Human and Organisational Performance (**Petrobras**), diving (**Brazilian Navy and Petrobras**), the Nautical Institute's recent changes for DP (**Vision Marine Training**), DP events (**Subsea7**) and Pull Back Vessels (**Grupo CBO**)

From IMCA, attendees will hear from **Richard Purser**, Technical Adviser – Marine, and **Ali Macleod** Technical Adviser – Diving.

Also in attendance for his first regional meeting will be recently appointed Director of Client Engagement – South America, **Paulo Veronesi**.

Tickets are **free** for IMCA Members – book now.

South America Regional Meeting
